1997 to 2018 Australian University Teachers of the Year Booklet is now available

2019 AAUT TIMELINE

Universities Australia (UA) proudly sponsor the third edition of the 1997-2018 Australian University Teachers of the Year booklet. This booklet captures the profiles of Australia's most highly recognised teachers – recipients of the Australian Award for University Teacher of the Year (AAUTY) and how the award has impacted the practice and career direction of each recipient. The booklet outlines the history of the awards and acts as a resource for prospective award applicants.

We are pleased that the updated booklet is now published. Shortly, the ICO will receive an email requesting for mailing address for the printed copy.
