

Dear Colleagues,

Welcome to this special edition newsletter, in which we are delighted to share the recipients of the 2022 Australian Awards for University Teaching.

We would like to acknowledge the significant amount of time and effort that all nominees have put towards developing their applicants, and to the 138 assessors who generously devoted their time to make considered, tough and often difficult decisions. Without their continued commitment, dedication and passion, a celebration like this would not be possible.

Recipients of the 2022 Australian Awards for University Teaching were formally announced via video on Wednesday evening 22 February 2023 by Professor John Dewar AO, Chair of Universities Australia, Professor Angela Carbone, Director of the Australian Awards for University Teaching, and all the Award Committee Chairs, including Emeritus Prof Pip Pattison (Teaching awards), Prof Liz Johnson (Citations), Prof David Sadler (Programs) and Prof Sally Kift (Career Achievement Award). The video announcement can be viewed on the [AAUT-UA website](#).

Congratulations to all the successful recipients, and particular accolades to the following three recipients:
