

AAUT EARLY CAREER AWARD

ABOUT EARLY CAREER AWARD

In 2004, the Early Career Teaching Award was introduced for university educators with less than five years' teaching experience. To be eligible, the five years is calculated from the start of their teaching to the date of submission, e.g., from August 2019 to August 2024. AAUT allows for interruptions, such as unemployment, maternity or parental leave, and medical conditions. This will be reviewed on a case-by-case basis. Please contact your Institutional Contact Officer (ICO) or the Awards Team at aaut@rmit.edu.au for more information.

THIS AWARD IS PART OF

Citations for outstanding contributions to student learning that recognise and reward the diversity of contributions made by individuals and teams to the quality of student learning.

Teaching Excellence Awards that recognise Australia's most outstanding university teachers or teaching teams who have demonstrated excellence, leadership and sustained commitment to teaching and learning in higher education.
