## AUSTRALIAN AWARDS FOR UNIVERSITY TEACHING

Welcome to 2023 AAUT!

I am very pleased to announce that the AAUT will continue to run this year, and will be funded through a collaborative universities approach.

This year, the focus will be on:

- Development of a professional capability program, including tailored support for the Neville Bonner and Early Career categories
- Online learning sessions for FCOs, applicants and assessors
- Raising the profile of two underrepresented categories in the Program Awards
  - Category 2: Collaborative educational partnerships and
  - Category 4: WIL programs that enhance students' employability.
- Realignment of assessment matrix and assessment criteria.

As we move forward into a more normalised year of teaching and in most universities welcome back students onto our campuses, I encourage you to start supporting potential AAUT applicants in your institutions. My team and I look forward to working with you again this year.

Regards,  
Professor Angela Cantone
