1. INTRODUCTION

Awards for Teaching Excellence recognise Australia's most outstanding university teachers who have demonstrated excellent leadership through sustained commitment to innovation, delivery of quality teaching and sustained dedication to improve the student experience and learning outcomes in higher education.

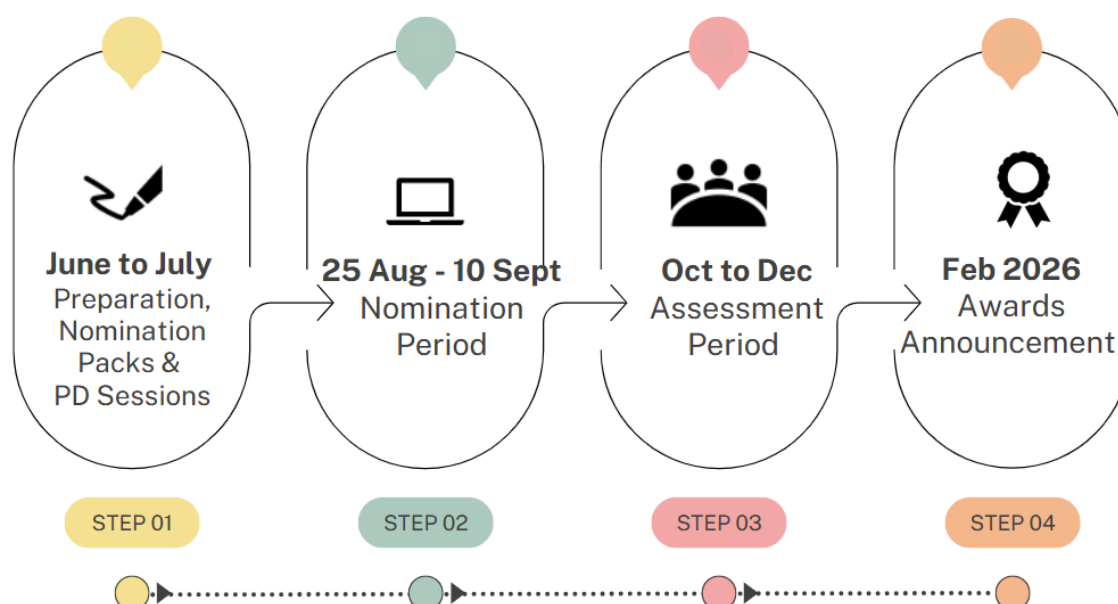

Award Type	Categories	No. of awards	*Max submissions per institution	Prize money
Awards for Teaching Excellence (Teaching Awards)	9	Up to 9	3	NIL

In 2025, up to nine Awards for Teaching Excellence will be awarded to educators who show a sustained commitment to improving student learning outcomes in higher education. One winner may be selected per category, depending on nomination volume and diversity. The Australian University Teacher of the Year will be chosen from the Teaching Excellence recipients.

Eligible institutions may submit up to three nominations (individual or team), with no more than two in any one category. A nominee can only be included in one nomination per year, unless they are a part of a team nomination and are not the lead nominee.

1.1 AAUT Key Dates

The 2025 AAUT key dates are listed below.

ICOs must enter their nominees' details and submit their nominations through the AAUT Awards Portal, including uploading the required documentation and digital photograph.

Please note:

- Submissions received after the closing date will NOT be considered.
- Ensure all information is correct. For any changes to the nominee's category selection, please contact the AAUT Awards Team.

1.2 Eligibility

Nominations must focus on teaching activities within higher education and must be endorsed by the nominating institution. Eligibility is limited to educators from [member universities of Universities Australia \(UA\)](#).

Nominations are open to academic, general/professional and sessional staff who are currently employed (full-time or fractional, continuing or contract paid staff) by eligible institutions.

Staff from VET, TAFE or PAVE sectors, as well as adjunct staff and honorary or emeritus professors, are not eligible for nomination.

1.3 Team Nomination

Team nominations can only include members who contribute at least 10 percent to the team's work. The team can have a maximum of 10 members, either from the same institution or from collaborating institutions. All team members must be employed by an eligible institution.

1.4 Early Career

Nominees with no more than five years of teaching experience in higher education are eligible to apply for an Early Career Citation. The five-year period is defined as the time from the start of their teaching career to the submission date (e.g., August 2020 to August 2025).

Interruptions to teaching, such as unemployment, maternity/parental leave, or medical conditions, will be considered on a case-by-case basis. Please contact the AAUT Awards Team for further details.

Note: Peer tutoring as an undergraduate student does not count toward the five years of teaching experience required for the Early Career category.

Evidence: The nominee should demonstrate a positive impact on student learning, engagement, or the overall student experience for at least two years, excluding time spent developing or trialing any activities.

1.5 Neville Bonner Award For Indigenous Education

Since 2021, the Neville Bonner Award for Indigenous Education category has been open exclusively to Indigenous teaching staff.

1.6 Eligibility of Past Recipients of Awards or Citations

Past Teaching or Program Award recipients (including Carrick, ALTC or OLT Award) can only renominate as part of a team nomination and cannot be the team lead. Their new nomination must differ significantly from the original.

Early Career Teaching Award recipients can be renominated in a different category after five years.

Receiving or being nominated for a Citation does not affect eligibility for a Teaching Award.

2. CATEGORIES
